due to th	ne Board don	ations and hi	gher interest.				

- 3. Expenses are running under budget due to Worker's Comp refunds and spending less than planned in health insurance costs; offset by an increase in printing costs associated with the Annual Giving Campaign.
- 4. The cash position of the CCGJ is strong with a significant amount of cash deferred for APP related projects.
- 5. It is important that the CCGJ remain focused on those vital programs that are budgeted to contribute to the overall \$16,000 annual surplus and continue to successfully plan and execute events.
